"THE SECRET FOUR"
Floods of Fury

Episode #12

Helen fortunately arrives on the scene in her car and helps Jim and Nadine escape from the oncoming forest fire. They start out to head off Reynolds before he can mail the map to his principals. Jim manages to snatch the envelope from Reynold's hand as he is about to mail it, jumps on a mail bag and is picked up by the passing train. Reynolds and his accomplice overpower Nadine and Helen and take them towards the city after he has wired his henchman of Jim's whereabouts.

Jim receives an appeal for help, supposedly from Nadine. Suspicious, he conceals the map in his home before going to the address given in the note. Arriving at his destination he is set upon by a gang of Chinamen and overpowered. He whispers to Nadine, who has been brought thereby Reynolds, not to worry as the map is safe in his room. The remark is overheard by one of the Secret Four's henchman.

Reynolds, the Chinks and the Secret Four start for Jim upon hearing this. As they are almost upon him, the Shifting Shadows comes down an adjoining hall and cuts the lighting wires, throwing the room in darkness. A terrific fight starts in the murky blackness.
